

Our Services

Marine Insurance

- Marine insurance safeguards goods, ships, cargo, and related transport assets against potential risks during transit — whether by sea, land, or air.

Fire Insurance

- Fire insurance protects your property, assets, and businesses from losses or damages caused by fire, lightning, explosions, and related perils.

General Insurance

- Life | Health | Vehicle

Protecting What Matters Most

Who Are We?

At Apricoat Insurances, we provide reliable, personalized insurance solutions tailored to your needs. Whether it's protecting your cargo, securing your property, or safeguarding your dreams, we're here to ensure peace of mind. With us, you're not just insured—you're truly protected when it matters most.
